ANNUAL REPORT FOR FISCAL YEAR 2013 - 2014

# AT HABITAT WE BUILD...

## HOUSES

We build simple houses with homeowners who pay 0% interest mortgages. Our houses are 100% constructed by Habitat staff, volunteers, and homeowners.

## COMMUNITY

We build a community of dedicated volunteers, donors, and sponsors, whose local gifts help us buy land and build houses.

## OPPORTUNITIES

We build opportunities for families and individuals in need to eliminate their poverty and dream big like the rest of us.

## STABILITY

We build stability for homeowners, who learn about money management and home maintenance. Their stability has contributed more than half a million dollars to date to our tax base.

## SUSTAINABILITY

We build responsibly by reclaiming land and using energy efficient materials. The sale of donated goods through our ReStore reduces waste and funds more houses.

For more than 25 years, you have offered a hand up to those in need of simple, decent, and affordable housing through Habitat for Humanity of Monroe County.

“I was working full time and couldn’t afford a decent home. With Habitat’s interest-free mortgage, we now have our own home in a kid-friendly neighborhood.”

—Kabrina Vest,  
new Habitat home owner

Homeowner Kabrina, along with her son Cadell, accepts her key from Sherwood Oaks Pastor Brad Pontius. Co-sponsors Sherwood Oaks Christian Church and the Bloomington High School North Habitat Chapter provided up-front building costs, which Kabrina will repay through her 20-year mortgage.

“Everyone who worked on our house came together for the same reason: to help us build our dream. The Builders Blitz is a memory that will last a lifetime.”

—Jon Williams,  
new Habitat home owner

Homeowners Jon and Jessica Williams, along with their children Lillie and Savannah, are welcomed home during the dedication of Builders Blitz houses. Their home was sponsored by John Ingram Builder and Loren Wood Builders.

“Life presented Chris with unique challenges called disabilities. His mother and I have worked to help him achieve a life of self-sufficiency. After 35 years Chris has arrived!”

—Larry Schaaf,  
proud father of a recent  
Habitat home owner

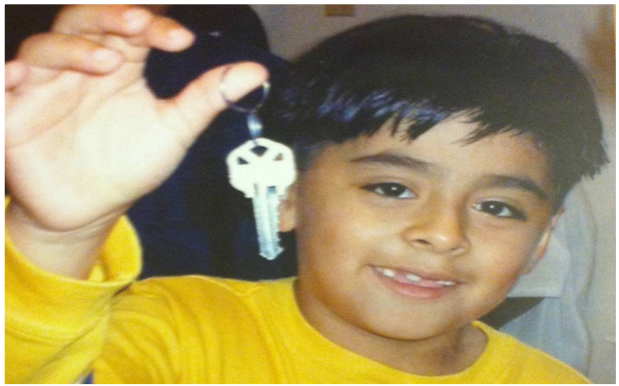

Larry helps his son, Chris, at the 2013 Whirlpool and Indiana University build. Chris, a champion golfer in the Special Olympic, now lives in his home independently.

“My Habitat home provided a stable environment. All of a sudden I gained confidence to invite my classmates over. I wanted to show off my home, where I found joy and love.”

—Luis Lopez,  
who grew up in a Monroe  
County Habitat home

Luis's mother became a Habitat owner in 2003 and strengthened the family's stability. Today Luis is a college sophomore studying business who also volunteers for Habitat.

“Sometimes I donate materials and buy something in the same trip to Habitat’s ReStore. Things that might otherwise wind up in the landfill are recycled and reused.”

—Craig Shields, Habitat home owner since 2014

Craig and Rachel Shields family's home was sponsored by Habitat ReStore, which sells new and gently used building materials, appliances, and furniture at greatly reduced costs. ReStore profits fund at least two Habitat houses a year.

“Every gift matters. From donors and volunteers to the home owners themselves, it takes tremendous sacrifice and resources to build homes and hope. Thank you!”
