

# 2023 Women+ Build Sponsorship Opportunities

Habitat for Humanity of Monroe County builds homes and sustains affordable homeownership opportunities for families and individuals in Monroe County. Each year, hundreds of women+ from all walks of life come together to build two homes in just three weeks, working alongside two families seeking safe, affordable homeownership. Women+ Builders provide the volunteer and financial support for the two homes, raising the funds needed to purchase the construction materials for the build. This year, Women+ Build will be held from September 6-23, 2023.

All registered builders pledge to raise or donate at least \$300, but we still need help to cover the full material costs for both homes. We are seeking like-minded business and organizational partners who want an opportunity to give back to their community. This is also a great opportunity to sponsor your employees and members as they swing a hammer alongside 350+ other Women+ Builders and our future homeowners, Erika, Francisca and Ricardo!

**Are you ready to help? Call 812.331.4069 or email Lindsey at [boswell@monroecountyhabitat.org](mailto:boswell@monroecountyhabitat.org) to learn how you or your business can make a difference.**
