## Attainable Homeownership Tax Credit Eligible Donors & Donations

### Eligible Donors – Individuals

Individuals may donate to Habitat for Humanity of Indiana and receive an Attainable Homeownership Tax Credit. Include the name of the individual donor claiming the credit on the form.

- Married couples filing jointly should have the Primary Taxpayer listed on this form. A maximum of \$10K in Attainable Homeownership Tax Credits is allowed on a joint tax return.

### Eligible Donors – Small Business & Corporations

Small businesses and corporations are welcome to make tax credit-eligible contributions. However, additional steps or information are required when reporting these contributions:

- If a business or corporation is making the donation, the business/corporation's information should be entered into the Donor Contribution Form. The organization's owner or stockholders must NOT claim the tax credits on their individual/personal tax returns.
- If the credit is being claimed by a pass through entity (PTE), such as a partnership, limited liability company, S corporation, estate, or trust, the PTE needs to complete this and provide a K-1 to the owners/beneficiaries. Ex. If Organization Z is splitting \$1,000 in credits from a \$2,000 donation between 10 shareholders, Organization Z will need to provide a K-1 to the owners showing their share of the credit. Consult with your legal counsel to ensure compliance.
